

MEDICAL AND PHYSICAL EXAMINATION PROGRAM (MAPEP)

Subsequent Injury Program

This checklist contains questions regarding your medical history and health. This information is requested in compliance with O.C.G.A. 34-9-361. The primary use of this information will be to establish the eligibility of your employing agency to make claims under the Subsequent Injury Trust Fund Laws. It may also be used to determine fitness to perform job duties. This information will be handled in a confidential manner. It is essential that you answer all questions truthfully and completely. False or incomplete information may result in disqualification or termination if hired.
